

If you are using AgChoice's version 2.0 PPP loan forgiveness calculator, use the instructions below to correct a few minor issues. If you are using AgChoice's version 2.1 PPP loan forgiveness calculator, you are using the latest version and no updates need made.

Version 2.0 PPP loan forgiveness calculator corrections:

1. Missing formula

- Go to "General Application Info" tab
- Go to Cell C48
- Enter the following formula
 - =C44+C45+C46+C47

2. Test data needing removed

- Go to "Employee Information" tab
- Go to Cell N284
- Delete the 20 in the cell, or enter 0

3. Date formatting issue on "EZ Loan Forgiveness App" Tab

- Cell E22 on "EZ Loan Forgiveness App" tab not formatted as a date field
- You enter the date your PPP loan was disbursed on "General Application Info" tab in Cell C31
- Enter this date on the EZ application when completing it
